SOUTHERN  
COLLEGE

**Friendship.**  
the highest peak of love,  
allowing people to grow and expand.

As new horizons are faced,  
not only is there a gain of knowledge,  
but a forever social bond,  
prized fellowship with others.

A texture derived from streaks of  
faith and mystification.  
— Discovering who and what —  
A time to forget past glories,  
A time of infancy and new dawning.

The beginning,  
initially  
a sculpture of towering expectations,  
along with beams of excitement.  
Working in the present,  
for the future,  
grasping that anchor of success.

College life,  
the smiles,  
the love,  
the cherished memories.  
Foreseeing the gallant development  
of passion,  
a time never to be forgotten  
or replaced.

## DEDICATION DR. JOHN W. COOK

Dr. John W. Cook is Chairman of the Humanities Division and Co-ordinator of the Religion-Philosophy Department and director of the Christian education program at the college.

Dr. Cook was born in Barnesville, Ohio, and was graduated from Union College, Barbourville, Kentucky, in 1942.

He received the degrees of Bachelor of Sacred Theology and Master of Sacred Theology from Boston University and has done further graduate study in New Testament at Southern Methodist University. He received his doctorate from Boston University in May, 1971.

Dr. Cook is a Methodist minister, a member of the West Ohio Conference, having been ordained in 1947. He has held pastorates in Massachusetts and Kentucky. Prior to coming to his present position in 1961, he was, for eight years, associate editor of adult publications in the Division of Curriculum Resources of the Methodist Church, and editor of *Mature Years and Adult Teacher*. Before going to Nashville, Dr. Cook was professor of biblical literature and acting dean of Wood Junior College, Mathiston, Mississippi.

He is married to the former Eleanor Cleveland Beeler of Somerset, Kentucky. They have two grown sons. Dr. and Mrs. Cook make their home in Lakeland, Florida.

For his leadership over these many years as a faculty administrator and for his understanding nature on the part of the many students he has taught and counseled, the time is appropriate to dedicate this issue of the Interlachen to this educator and friend of us all.

In recognition for his understanding and open door policy with students even while serving as co-ordinator of his department and chairman of his division we proudly dedicate the 1983 issue of the Interlachen to Dr. John W. Cook.

# ALPHA CHI OMEGA

Alpha Chi Omega was founded on Florida Southern College on Nov. 15, 1936. The lyre is their symbol and the carnation their flower.

The Alpha Chis are represented in every major honorary on campus. They are little sisters for Pike, Pi Kapp, TKE, SAE, Theta Chi, Phi Sig, Sigma Chi, and Sig Ep.

Every year they raise money for one of their three philanthropies, cerebral palsy, by working with their Theta Chis to accomplish a 52 hour dance-a-thon.

Alpha Delta Pi was the first secret society for college women. It was founded on May 15, 1851 at Wesleyan Female College in Macon, Georgia. Gamma Gamma was chartered at Florida Southern on April 27, 1946. Alpha Delta's have been featured regularly in the beauty section of the yearbook. They have served as class officers, members of honoraries, Student Government Senators, cheerleaders, fraternity little sisters and sweethearts. Many have reigned as Miss Southern, Miss Interlachen or as Honor Walk Students. Alpha Delta Pi's colors are azure blue and white. The violet is the flower and the Lion the symbol. "We Live For Each Other" is the open motto. The qualifications have remained unchanged through the years — scholarship, high principals of behavior and true friendship.

## ALPHA OMICRON PI

Many years ago, Mary Gatewood Pullian and Sam Banks arrived at FSC. They decided to form two clubs made up of their own friends, and presented a petition to the proper authorities. When this plan failed, Kappa Gamma Tau held secret meetings until Ludd M. Spivey, in 1924 recognized the group as a sorority. In the fall of 1945, Kappa Gamma Tau petitioned Alpha Omicron Pi fraternity, and on May 5, 1946, Alpha Omicron Pi installed the local sorority as Kappa Gamma, the 52nd chapter of the fraternity. Ever since its first days, AOTT members have been leaders in campus activities and scholarship, and have maintained high ideals and a cooperative spirit in all understanding.

The Lambda Chi Alpha Fraternity started in 1809 at Boston University Law School by Warren Albert Cole. In the last 74 years, Lambda Chi Alpha has grown from its original chapter to more than 260 chapters in the U.S. and Canada. Lambda Chi is the third largest fraternal brotherhood in the nation and also has the second largest number of chapters. Florida Southern's Epsilon-Xi Zeta was originally chartered in 1938 and this year celebrated the 45th anniversary of that chartering during the Homecoming celebration in March.

A characteristic unique to the Lambs is a strictly enforced national policy against hazing and the idea of pledging. Lambda Chi, instead of having pledges, has Associate Members and an A.M. program to foster fraternity education.

1982-1983 was indeed the "year of the Lambs" in that the brotherhood was nearly doubled with the addition of 22 associates during the fall and spring rush.

The Pi Kappa Alpha Fraternity was founded on March 1, 1868 at the University of Virginia. The founding was attributed to the High Ideals, characteristics and principles of Robertson Howard, Julian Edward Wood, James Benjamin Sclator, Jr., Frederick Southgate Taylor, Littleton Waller Tazewell (Bradford) and William Alexander, our founders. Our chapter, Delta-Delta, became the one-hundredth chapter back in 1947. For 36 years we have continued to uphold the lasting brotherhood, good times, and the tradition of Pi Kappa Alpha.

Completing our thirty fifth year at Southern, Beta Beta chapter is strong having initiated one of the largest pledge classes in history. Our colors are gold and white. Our new national symbol is the bell, while the totem poles stand here to signify the tie among our four-hundred and twenty one initiated members. Little sisters of the Star and Lamp represent four sororities and members of various campus organizations. A young and enthusiastic brotherhood looks forward to continuing the pride and motto of Pi Kappa: "Nothing shall tear us asunder".

# TAU KAPPA EPSILON

Tau Kappa Epsilon, the largest social fraternity in the world with over 300 active chapters, was founded at Florida Southern in 1947 when the Jones house on Lake Hollingsworth became the Beta Tau Chapter of TKE. TKE fraternity is based on the belief that the 3 essential elements for meaningful fraternal relations are love, charity and esteem. The TKE chapter of 1982-83 will remember our sweetheart Cindy and Mom Chisolm for their support and love, and our little sisters for all the help they have given us.

## Winning Traditions

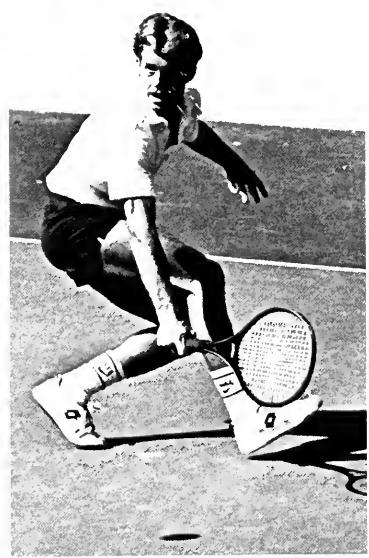

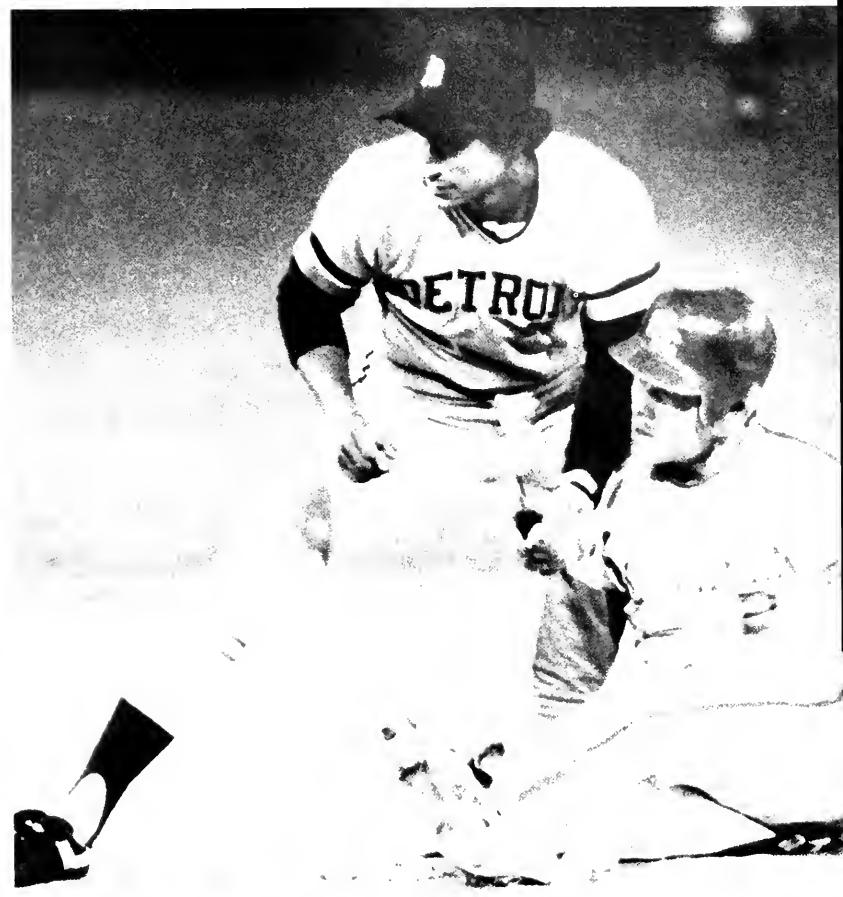

Upholding traditions ... something which appeared to come easily to athletes. As the sports seasons began, FSC athletes strove to uphold a winning tradition.

Keeping this tradition visibly seemed easy, but many hours of practice were put into creating a good season. These

hours were spent conditioning the athletes' minds and bodies for competition.

FSC athletes have always put out 100% in whatever sport they compete. The participants endured the heat, cold, and physical exertion all for the sake of taking pride in their performances.

## Volleyball

Even though the Lady Mocs did not obtain the goal of returning to the national finals, the 1982 volleyball team achieved many commendable goals as a team as well as individuals.

Their overall record of 48-8 was one of the top season records in the country and the best ever for FSC. With an undefeated Sunshine State Conference season for the second straight season, they successfully defended the conference tournament title. For the second consecutive year, FSC was selected as the host for the NCAA South Regionals. Thus the Lady Mocs received a number five national ranking.

(continued)

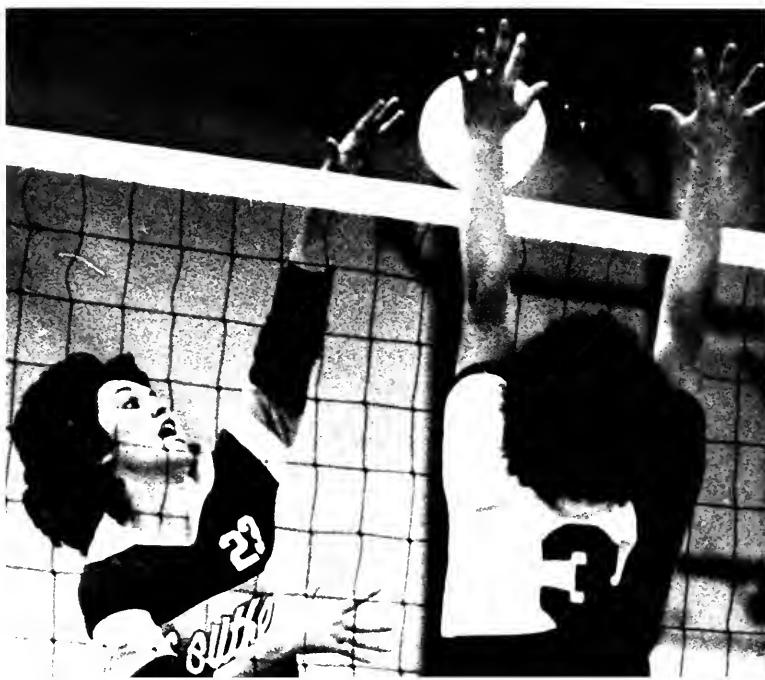

## ...Volleyball

"We accomplished everything we had hoped to, with the exception of returning to the final-four tournament," said Head Coach Lois Webb.

The team had many talented athletes. Senior Holly Butterfield was named to the NCAA South Regional all-tournament team along with teammate Sandy Hudson. Butterfield and Hudson were joined on the Sunshine State Conference all-tournament first-team by teammates Lisa Mason and Carla Pfotenhauser. Laurie Hiatt was named to the second team.

It was also a good year for Coach Webb who recorded her 200th career win at FSC. She now has a 224-89 mark in six years.

## Women's Tennis

In the morning or in the afternoon, the Women's Tennis team picked up their rackets and hit the courts. Practice sessions included a great deal of stretching and practice matches. They had a quest for mastery.

The team was led by sophomore Allison Avey along with Betsy Broadwater, Darla Holb, Julie Michael, Mary Lloyd, Kim Smith, Renee St. Louis, and Bo Wigley.

Under the guidance of Head Coach Ed Jeffries, the tennis team set realistic goals, had good attitudes, and had a lot of talent.

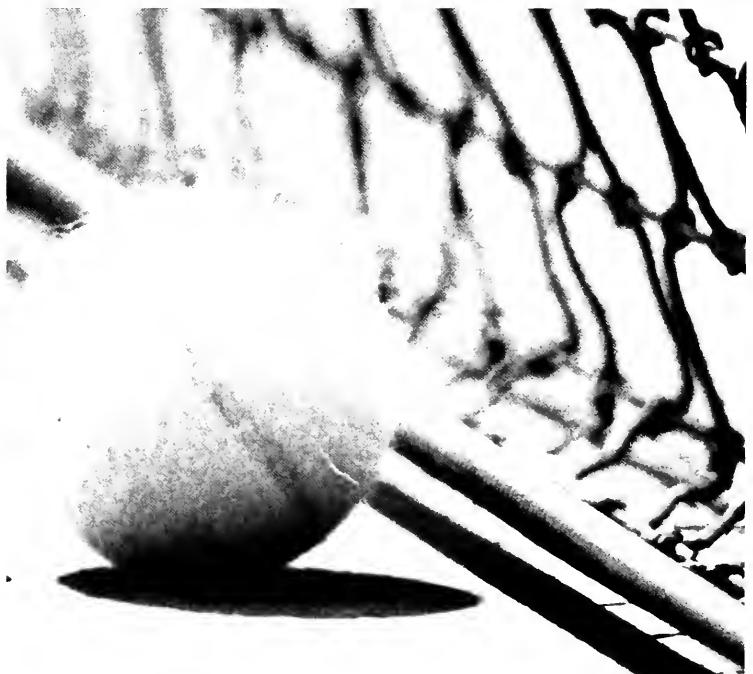

(Left to Right) Kim Smith, Charlene Sanes, Jackle Chung, Renee St. Louis, Julie Michael, Debra Dodd, Coach Ed Jeffries, Allison Avey, Darla Holb, Betsy Broadwater, Mary Lloyd, Bo Wigley.

### ... Women's Tennis

In late January, the Lady Mocs hosted the Sunshine State Conference tournament and captured all singles titles and all three doubles titles. For the two-day tournament, the Lady Mocs did not lose a set to any opponent.

The women's tennis team also took a spring trip through the Carolinas and the squad was able to play some tough Division I opponents which helped prepare them for their own season.

Although tennis is one of the hardest sports to master, chance or many hours of practice made it more of a reality as they continued their quest for mastery.

## Men's Tennis

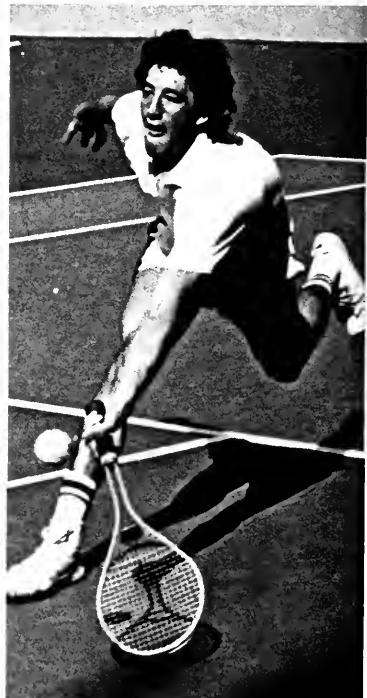

When the score is love-40, a tennis player uses every ounce of strength left in his body. The next point may decide the fate of the game. With a lot of concentration, a player can bring the score up to deuce, then his favor, and then a win. The win was mostly in favor of FSC as the Men's Tennis team smashed their way to victory with a season record of 16-6.

Under Jim Bush's coaching skills, the team competed well. In the Sunshine State Conference tournament play, Sam Garcia won the number three flight singles title. Tom Evans and Scott Reimund won the number one doubles flight.

The team worked hard and practiced together, striving to reach that ultimate goal — a high plane of perfection.

Front row: Sam Garcia, Tom Evans, Jim Pehson. Back row: Robert Goulet, Kal Sabie, Don Seavey, Coach Jim Bush, Greg Crowley, Scott Reimund, Ernie Wright.

## Women's Basketball

Silence filled the gym as the women's basketball team emerged onto the court. Their faces reflected mixed emotions as they concentrated on their anticipated victory. As the referee blew the whistle, the game commenced. This was a common experience at each game.

Under the guidance of Head Coach Dick Goding and Assistant Coach Lois Webb, the Lady Mocs finished with a 12-5 overall season record. They finished second in the regular season of the Sunshine State Conference and received the runner-up spot in the league's post-season tournament.

The team broke three school records by scoring the most points in one game (106 vs. Eckerd), allowing the fewest

points in one season (991), and by scoring the most points in one half (66 vs. Eckerd).

Individually, new records were also set. Robin Rosemeier broke her own single game assist record with ten against Rollins while freshman Kelly Carson broke two records in the Eckerd game — most points in one game (37) and most field goals (15). In post-season, sophomore center Deidre Lane was named to the first-team all-conference squad and was honored as Co-Player of the Year in the SSC.

Team unity was essential for a successful game. Each girl possessed her unique style, but individual styles united forming a team effort for each winning game.

1982-83 WOMEN'S BASKETBALL: First row: Megan Henry, Jody Kay, Dina Lauricella, Robin Rosemeier, Kelly Carson, Gretchen McCurdy, Janet Reynolds. Second row: Head Coach Dick Goding, Asst. ## Men's Basketball

Like the interchangeable parts of a machine, the playing combination of "Moc Magic" designed by Head Coach George Scholz functioned smoothly. An unusually strong team feeling molded into one. No player stood out, but together they all stood above opponents.

Individuality burst through, however. Senior forward Tom Ridley was named

to the All-South team. Scott Pospichal broke his own school season assist record with a total of 207. Senior guard Moses Johnson was an honorable mention All-Conference selection while senior center Oliver Smith earned all-tournament honors in the United First Federal Classic.

## ... Basketball

The Mocs compiled a 23-8 overall record. They won their fifth straight Sunshine State Conference season title. The team was invited to play in its fifth consecutive NCAA post-season tournament, finishing third in the South Regional.

The Mocs won four tournaments during their season. They were victorious in the Citrus Tournament, United First Federal Classic, Juice Bowl tournament, and the Sunshine State Conference post-season tournament. The Mocs won six of ten games with Division I opponents.

For the season, FSC ranked 14th in the nation according to the final NCAA poll.

## Baseball

Baseball is often classified as the "American pastime." The sport of baseball will never disappear as long as the teams have great stars playing the game. These stars are making themselves legends in the major leagues today. They are stars because they always come through victoriously. The stars of tomorrow — the 1982-83 FCS baseball team.

The baseball team was a strong and persistent one. FSC began the season with 11 straight wins, and also had streaks of seven and fourteen games later in the year. Their rank in the Sunshine State Conference was high as well as their national rank.

With all this hard work, the Mocs managed to put together a team that had excellent depth. The squad was led by two-time All-American Joe Sickles. In the infield second baseman Mark Dougherty, shortstop Nelson Rood, and third baseman Glenn Scarpa were 1982 All-Americans.

(continued)

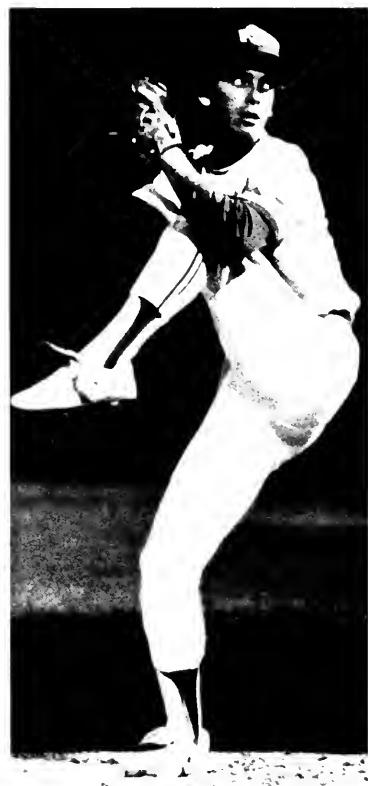

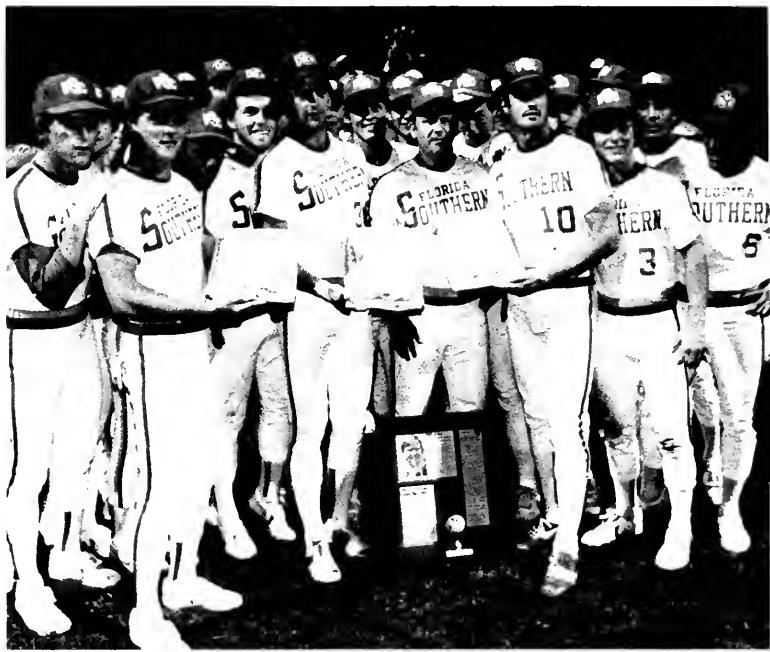

## ... Baseball

Talent was also apparent with the pitchers. Seniors Paul Imig and Joe Clouse combined for over 15 wins and Junior Jim Bridges and freshman Tracy Toy had between them more than 11 wins.

In addition to the individual accomplishments of the players, Head Coach Joe Arnold achieved a commendable goal. Late in the season he won his 300th career game as the Mocs defeated Tampa 6-3.

All year Coach Arnold and Assistant Coach Chuck Anderson worked the team hard, developed skills and got their players in top condition for a victorious season.

## Golf

In every athletic field, the participating athletes feel competitive and are determined to win. The members of the 1982-83 Golf team didn't feel differently. A lot of time, hard work, practice, and cool operation went into every stroke each player made.

Under the guidance of Head Coach Charley Matlock was a talented team of men. The golfers played some strong rounds in tournaments. The Mocs won the Division II portion and finished

their overall in the Florida Intercollegiate Golf Tournament. In the Imperial Lakes Golf Classic they placed sixth and then went on to capture their first-ever Sunshine State Conference tournament title.

Vigilance, determination, and a competitive spirit were the major building factors of the golf team. The driving force of this group of athletes enabled them to work well together.

(Left to Right) Jim Wilhelm, Coach Charley Matlock, Gregg Gamester, Marco Dawson, Jim Northrup, Lee Janzer, Rick Johnson, Craig Kindrat, Rocco Mediate, Pat Chisholm, Scott Behl, Mike Domalske, Wally Les, Jeff Schmucker.

## SOFTBALL

Softball and baseball are very similar in nature, yet they have a few differences that make softball a unique sport. The differences range from the size of the ball to the way it is pitched.

The 1983 Softball team was guided by Head Coach Chris Bellotto. Grueling practices and an aggressive coach all paid off for the Lady Mocs during their winning season. They placed third in the South Florida Invitational tournament comprised mostly of Division I teams.

Although softball is a take-off of baseball, it became a sport within itself. It was proven through the unique style that the Lady Mocs maintained.

◀ Front row: Head Coach Chris Bellotto, Lori Marvel. Second row: Susan Young, Kelly Schroeder, Kathy Fishbaugh, Pat DiMenna, Lisa Durham, Kelly Carson. Back row: Robin Rosemeyer, Sandy Hudson, Jody Kay, Lissa Lagonni, Lora Ash, Dawn Smith, Holly Butterfield, Beth Haslage.

## Soccer

The FSC Soccer team opened its 26th season faced with the toughest schedule ever. FSC played many of the top ranked teams in the nation including the national champion, University of Tampa. "The tougher the schedule helps to attract athletes and it helps to gain respect for the program itself," said second-year head Coach Sam Snow.

Even though the line-up consisted mainly of sophomores, the Mocs were led by seniors Kurt Oettl and Sean Murphy. Oettl registered six goals and four assists for 16 points while Murphy added four goals and two assists for 10 points. Junior transfer Craig Seitz, who started in all 17 games, helped the defense.

"If we can improve on our consistency, playing good games back to back, a winning season can't be far off," said Coach Snow.

Front row (L to R) Howard Penney, Ron Frederick, Sean Murphy, Kris Pahl, Carlos deRada, Jeff Janszen, Walt McGee, Scott Hutchinson, Rich Campana, Todd Starks. ## Cross Country

Day after day, brutally inflicting pain is upon the bodies of runners. There were many individuals with a unique fetish at FSC; they made up the 1982 Cross-Country team.

The women's team was led by Angie Cicanese and Janet Gray. Both girls were named to the Sunshine All-Conference second team. "Janet was a big surprise this year. She came on very strong at the end of the year and Angie was consistent most of the year," said

Coach Plowman.

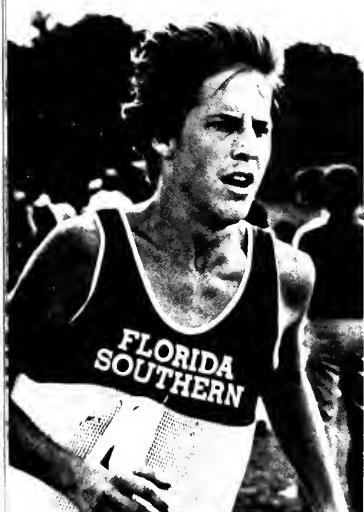

The men's team was led by their number one runner Jim Harris. Harold Hendron and Rich Rassmann were the biggest surprises to Coach Plowman. He said, "Harold is a much stronger runner than I thought and Rich has a very strong kick."

Possessing strength, agility, dedication, and endurance, the team members proved what makes a runner a true athlete.

Front row (L to R) Coach Parker, Amy Downey, Coach Ed Plowman, Leda Cooks, Janet Gray, Carolyn Rhodes, Laurie Ford. Back (L to R) Angie Cicanese, Dot Hunt, Paula Farina, Marolyn Rhodes.

**HERE'S A COLLEGE  
SCHOLARSHIP  
ANY PARENT CAN  
QUALIFY FOR.**

The reason many kids don't qualify for college scholarships isn't that their grades are too low.

It's that their parents' income is considered too high.

Army ROTC feels students should compete for scholarships. Not their parents.

So, if your son or daughter applies for an ROTC scholarship, we'll base our decision solely on his or her qualifications.

Not on your financial standing.

And the ROTC scholarship program is one of the best in the

**ARMY ROTC.  
BE ALL YOU CAN BE.**

country. No wonder our scholarships are accepted at over 300 colleges

and universities.

Each one covers full tuition, books, lab fees, and other purely academic expenses. It also pays financial assistance—up to \$1,000 each school year it's in effect.

Why not find out more about the college scholarship your son or daughter can earn—regardless of how much you earn?
